DEMOCRATS WIN NINE TOWNSHIP TRUSTEE RACES

ONLY FOUR REPUBLICANS
ELECTED BY COUNTY
VOTE TUESDAY

The lineup among the trustees elected in Tuesday's balloting will be nine Democrats and four Republicans, according to the best information obtainable at four o'clock this morning.

The winners included the following:

Greencastle, C. C. Frazier, D. Jefferson, William Cosner, R. Cloverdale, Lester Parker, D. Warren, Frank Sutherland, D. Washington, Robert Lewis, R. Madison, Estil Shonkwer, R. Marion, Alfred Heavin, D. Floyd, Harold Broadstreet, D. Monroe, Curtis Higgins, D. Clinton, Clair Albin, D. Russell, Embert Gardner, D. Franklin, Wayne Thompson, R. Jackson, Claude Malayer, D.

The outstanding contests were in Greencastle township, where Percy Masten was running for re-election against C. Clifford Frazier. The voters turned to Frazier after four years; in Franklin township a Republican was elected when D. Wayne Thompson carried it over Charles Purcell. This was probably the direct carryover of last May's primary contest when James Myers was defeated. In Russell township Embert Gardner, Democrat, was elected. This also was said to have stemmed from the spring primary contest, and but little was heard about it until the votes were counted.

Grimes 2-County Majority Is 636

David L. Grimes, Republican candidate for joint representative from Putnam and Owen counties, defeated John J. Sullivan, his Democratic opponent Tuesday by a total majority of 636 votes, complete returns revealed Wednesday morning.

Mr. Grimes carried Putnam county, 5,132 votes to Mr. Sullivan's 4,461. In Owen county, Mr. Sullivan won from Mr. Grimes by the close vote of 2,877 to 2,842. Grimes' majority in Putnam was 671 minus a 35-vote deficit in Owen which made him the winner by a margin of 636.

TAYLOR DEFEATED

POCATELLO, Idaho, Nov. 3.—(UP)—Guitar-strumming Glen H. Taylor, one-time candidate for vice president on the Progressive Party ticket, failed today to win his way back to the U. S. Senate.

He was soundly defeated by the Republican incumbent, Henry Dworshak, former Burley publisher.

Hospital Notes

Dismissed: Susan Bond, Reelsville; Betty Wallace, Greencastle; and Kathy Sutherland, R. R. 2, Greencastle.

Births—Mr. and Mrs. Charles Lyon, Bainbridge, a son.

VETERAN VOTER

PAOLI Ind. Nov. 3.—(UP)—Rev. Isaac Morris, 99, a retired Quaker minister, voted Republican in Tuesday's election in the same precinct where he said he has voted, without a miss, every election since he was 21.

LUCKY DEMOCRAT

WINCHESTER, Ind., Nov. 3.—(UP)—Louie Grow, elected White River Twp. trustee in Tuesday's balloting, is the only Democrat ever elected to the post in the township's history.

THREE KILLED

KOKOMO, Ind. Nov. 3.—(UP)—A car and a truck collided at a rural intersection near here Tuesday night, killing all three occupants.

Raleigh J. Atchison, 21, Des Moines, Iowa, the truck driver, and Jack Ray Glenn, 29, Kokomo, driver of the car, were killed outright. A passenger in the truck, Walter Oppold, 19, Harrisburg, S. D., died six hours later in St. Joseph's hospital.

IN TRAINING

Hugh M. Carter

Hugh M. Carter, son of Mr. and Mrs. Earl Carter, of Cloverdale, is a graduate of the Cloverdale high school with the class of 1950, and a graduate of Indiana State Teachers College in 1954. He took his basic training at Camp Chaffee, Ark., and is now in Guided Missile school at Fort Bliss, Texas.

ROACHDALE H. S. LOSES OPENING GAME OF YEAR

The Roachdale high school band is ahead of the Roachdale high school basketball team, if one is picking a winner, but the team will improve and we can't see how the band can improve much because it is awfully good.

(The score was 69 to 49 in favor of Ladoga.)

The band performed before the opening game of the 1954-55 basketball season Tuesday evening. A large crowd was on hand for the opening game, which Ladoga won easily. The visitors carried an almost double score after the first quarter.

However, the band under the direction of its new leader, John Wilson, and Miss Sandra Crosby, drum major, carried off high honors. The numbers they played included the Ladoga and Roachdale high school songs. They also recognized the coming of Armistice Day and formed "V" for victory in World War I and then followed it with a cross in honor of those who did not return.

Coach Dick Oglesby of the basketball squad, has a full sized job ahead of him, due to the fact that no buildup of younger players in the squad had been carried on for the last few years and replacements are all green hands and must be trained from the ground up.

The cheer leaders, Marvin Plunkett, Deanna Cooper, both of whom were left over from last year, and Janet Myers and Janet Jeffries who served three years ago, promise to shine, so far as cheering is concerned throughout the year.

He was also fined \$10 and costs for reckless driving and \$5 and costs for public intoxication. A charge of having no operator's license was continued.

The three were lodged in the Putnam county jail by state police on Monday.

HEART ATTACK IS FATAL TO PAUL MURRAY

DIED FIGHTING FIRE THAT
DESTROYED HOME LATE
TUESDAY NIGHT

Paul Murray, age 59 years, suffered a fatal heart attack while trying to extinguish a fire that destroyed his home just south of Manhattan shortly before midnight Tuesday.

Mr. Murray was alone at the time and was found laying on a ladder in the yard, one hand still clutching a lung.

It was reported that the entire frame structure was in flames when first noticed by neighbors.

Mr. Murray had been in failing health since May of this year. He was formerly employed at the Chevrolet Plant in Indianapolis.

He was born July 12, 1895 in Posey twp., Turner, Ind., the son of Thomas and Emma Newton Murray, and lived the early part of his life in Brazil and Clay County. He moved to Putnam county from Indianapolis four years ago.

Mr. Murray was a veteran of World War I having served in the 32nd Division Army of Occupation. He was a member of the Wesley Chapel Methodist church, F. & A. M. lodge and Hurst-Colins Post No. 281 American Legion, Cloverdale, Veterans of Foreign Wars Post No. 1550 Greencastle, B. P. O. E. of Brazil and the Chevrolet Masonic pin club of Indianapolis.

He was active in the Democratic party serving as precinct committeeman in 10th precinct, 9th ward, Indianapolis for seven years, and in the south precinct of Washington township for the past three years.

Survivors are the widow, Margaret; one daughter, Mrs. Anna Rea Hinton, south of Manhattan; two brothers, Chaplain Major Eugene Murray, U. S. Air Force in Korea, and Albert of Brazil; two sisters, Mrs. Rachel Bell, Brazil, R. 2, and Mrs. Frances Wagner, Reelsville; two grandsons, Paul Leroy and Howard Ray Hinton.

The body was taken to the Lawson-Funeral Home in Brazil where funeral arrangements will be announced later.

VEEP BACK TO SENATE

LOUISVILLE, Ky. Oct. 3.—(UP)—The Veep was headed back to the Senate today, still holding his record of never losing to a Republican in almost 50 years of political life.

The Republicans did their best to turn back former vice president Alben W. Barkley's bid to regain the Senate seat he held for 22 years before he became vice president in 1948.

They sent against the veteran Democrat the top Republican vote-getter this border state has seen, Sen. John Sherman Cooper. But with only about one fourth of the ballots still to be tabulated today, Barkley was leading Cooper by 75,000 votes and the outcome was certain.

North 3rd First To Report Vote

Greencastle's North Third was the first precinct to file its official election returns with the Putnam County Election Board Tuesday night.

Complete returns from this precinct were brought to the office of the county clerk in the court house at 9:10 p. m.

North Fourth, in Greencastle, was the second to report shortly before 11 p. m. Limesdale was next and South Russell precinct, was fourth, a few minutes later.

WINS FOURTH TERM

DETROIT, Mich. Nov. 3 (UP)—Gov. G. Mennen Williams was elected to an unprecedented fourth term as Michigan's chief executive and Patrick V. McNamara predicted he would oust Republican Senate leader Homer Ferguson with a 25,000 vote majority.

Williams rode to the biggest victory of his political career on a Democratic tide which threatened all GOP state administrative office-holders.

RE-ELECTED

CECIL HARDEN

CECIL HARDEN TAKES COUNTY BY 304 VOTES

RE-ELECTED TO CONGRESS
BY SIXTH DISTRICT
VOTERS TUESDAY

Mrs. Cecil M. Harden, Republican incumbent, carried Putnam county by a majority of 304 votes over John W. King, of Greencastle, her Democratic opponent, her re-election to Congress in the voters of the Sixth District Tuesday's balloting.

The vote for the 37 precinct in Putnam county was:

Cecil Harden, 5,004
John W. King, 4,700

Mrs. Harden got off to a slow start in the 6th, but the state's only congresswoman barged ahead of John W. King and won by around 10,000. Mrs. Harden, a Republican, lost Vigo county by about 8,000 votes but more than offset it by carrying the other counties.

INDIANAPOLIS, Nov. 3.—(UP)—Indiana Democrats gained one seat in Congress in Tuesday's election, but the Republicans kept their big margin in the Hoosier delegation and control of the Statehouse and Legislature.

Rep. D. Bailey Merrill of Evansville was the lone loser among 10 GOP congressmen who sought re-election. He lost to Winfield K. Denton, an ex-congressman whom Merrill defeated two years ago in the 8th District.

Combined with Rep. Ray J. Madden's expected triumph in the 1st, Merrill increased the Hoosier Democrat delegation to two and left the Republicans with nine seats—all occupied by incumbents, including House Majority Leader Charles A. Halleck of the 2nd District.

After trailing early in the ballot counting Thursday night, the GOP state ticket headed by Secretary of State Crawford F. Parker seeking re-election was showed into office by margins expected to range up to 75,000 or more.

The Republicans also won control of both Houses of the Legislature, a feat that wasn't too hard on the Senate side since it took only 5 victories to do it. The 24 holdover senators included 21 Republicans. The House easily went Republican, but apparently by not as large a margin as two years ago when the GOP grabbed 81 of 100 seats.

Indiana's election results were seen by Democratic State Chairman Charles Skillen as an indication Hoosiers have confidence in the Republican leadership.

"Although we made substantial gains even in areas which finally went to the Republicans," Skillen said, "the people have expressed their confidence in the leadership of the Republican party in Indiana."

Democrats obviously were disappointed. They had expected the Denton victory in the 8th as the absolute minimum gain, and held high hopes of defeating Crumpacker and several other GOP congressmen.

Yet some of the industrial areas hard hit by unemployment during recent months went Republican.

WINS IN TEXAS

DALLAS, Tex., Nov. 3 (UP)—Republicans elected their first Texas congressman in a regular election Tuesday since the Reconstruction, as Bruce Alger defeated Wallace Savage by a narrow margin in the 5th Dallas County district.

Three other Republicans ran for Texas congressional seats but were beaten decisively.

Many Boys In Air Force ROTC

More than 104,000 young men are enrolled in the Air Force Reserve Officers' Training Corps this year in 206 institutions, including DePauw University's AF-ROTC headquarters announced today.

The colleges and universities are located throughout the United States and in Puerto Rico and Hawaii. Total enrollment includes 48,470 freshmen, 31,750 sophomores, 9,750 juniors and 14,000 seniors.

Officials at AF-ROTC headquarters in Montgomery, Ala., predict that approximately 75 percent of this year's seniors will be qualified for flight training, either as pilots or observers.

The remaining 25 percent of the graduating classes are scientific or technical specialists majoring in critical fields.

Last June the AF-ROTC program graduated approximately 11,000 cadets including 8,000 who were qualified for flight training. The majority of the other graduates received commissions in the U. S. Air National Guard.

OLDEST SENATOR WINS
PROVIDENCE, R. I., Nov. 3—
(UP)—The oldest man in the U. S. Senate won a fourth term to-

day from the nation's smallest state.
Democratic Sen. Theodore Francis Green, 87, defeated Re-

publican Walter I. Sundlin.
GOP GOVERNOR
BALTIMORE, Nov. 3 (UP)—

Republican Gov. Theodore R. McKeldin won easy re-election over Democrat Harry C. Byrd, former president of the state uni-

versity, in a race in which school segregation was a potent issue.

MANY UPSETS

The returns exploded in a sunburst of upsets and ticket splitting. Averel Harriman, Democrat, defeated Sen. Irving M. Ives, Republican, for governor of New York. But Franklin D. Roosevelt Jr., on the ticket with Harriman for attorney general, conceded defeat to Republican Jacob K. Javits.

Bruce Alger, Republican, cracked the Democratic hold on the Texas congressional delegation defeating Wallace Saxe in the 5th District. Republicans picked up a House seat in Florida, held their lone seat in North Carolina and re-elected at least two of the three Virginia Republicans who reached office on the 1952 Eisenhower tide.

That was the pattern from coast to coast on the basis of early returns.

WIN CONTROL

WASHINGTON, Nov. 3 (UP)—Democrats won control of the House and ousted GOP governors in at least five states today on the basis of still incomplete returns from the off-year election. The rival political parties are in a toe-to-toe battle for control of the Senate.

Oil Consumption Reduced 45% with Trop-Artic

THE FIRST!

Highest standard ever established for automobile motor oil is the Mil-O-2104 Supplement 1 test. New Phillips 66 Trop-Artic is the first all-weather motor oil to prove it meets the requirements of this test.

If your car has been using oil, and if you could reduce this consumption of oil by as much as 15 to 45 per cent, it would be worth a great deal to you, wouldn't it?

Today the good news is that you can do it. It's been proved you can do it by changing from ordinary winter oil to new Phillips 66 Trop-Artic All-Weather Motor Oil.

Not only does Trop-Artic reduce oil consumption... it can reduce engine wear 40% or more. It keeps pistons and piston rings cleaner. New Trop-Artic oil can even double the life of an automobile engine! And it increases gasoline mileage.

Trop-Artic is a superior all-weather oil... S.A.E. 10W-30. Any car, in any climate, at any time of the year, will perform better

with Phillips 66 Trop-Artic Motor Oil.

BETTER, CLEANER GASOLINE PHILLIPS 66 FLITE-FUEL

Phillips 66 FLITE-FUEL is the new gasoline—the only gasoline to which is added the super aviation component Di-isopropyl.

FLITE-FUEL gives you increased power, higher anti-knock quality and greater fuel economy. You get all the special benefits of famous controlled volatility plus the clean burning qualities resulting from the use of natural and aviation gasoline components.

FLITE-FUEL and Trop-Artic go together for better engine performance.
